

CHARITY GOLF TOURNAMENT

Monday, September 16, 2019 Conestoga Golf and Country Club

Join us for another fun-filled day of golf in commemoration of our dear friend **Dennis Strassburger.**

**The Children's Mental Health Centre
at The Lutherwood Foundation.**

We continue to honour the life of our friend and colleague, Dennis Strassburger, who passed away in November 2010. A man dedicated to family, business and friends, part of Dennis' legacy is to make our world a better, kinder place.

Through this tournament, you are building on Dennis's wish to help children who are struggling with their mental health, kids who are suffering more than any child should ever have to.

You are raising critically needed funds that help care for kids at Lutherwood's Children's Mental Health Centre. You are providing children with hope and healing as they face extremely serious and complex mentalhealth challenges. You are helping them learn how to regulate their emotions, deal with distressing situations and build stronger relationships. In some cases, you are literally saving a young life from self-harm and suicide.

Last year through your support, the Strassburger team presented Lutherwood with a cheque for \$40,000. Together we are helping reduce the suffering of children and show them that the community around them cares for them, and will stand by them.

Please join us to celebrate the life of our dear friend and colleague and help support this worthy cause. Call Kim Strassburger at 519-885-6322 ext. 239 to request a registration form or for sponsorship details.
